Information Technology firm EBS Consulting Sdn. Bhd. has completed the sale of the company to Accenovate Consulting Group and will be re-named Accenovate Technology Sdn. Bhd.

The name change, having been approved by ROC will be effect from 1st June 2007.

The company's new name is intended to consolidate the Group presence in the Asia Pacific region serving our clients in Australia, Malaysia, Singapore, Indonesia, China, Hong Kong and Vietnam as a whole. The Accenovate name denotes fresh thinking and new beginnings; ascending to the future and relishing the challenges with technology innovation.

Fresh thinking and new beginnings; ascending to the future and relishing the challenges with technology innovation.

Accenovate Consulting

Accenovate Technology Sdn Bhd, a Certified Microsoft and LS Retail Partner, specializing in the Retail Vertical, will not see any changes to the corporate structure and business directives. Having married into a wider network of companies with diverse products and expertise, Accenovate Technology will be well positioned to provide the clients with the latest state-of-the-art technology and continue rendering high level of services the clients enjoy.

Accenovate Group of companies' technology expertise spans from Microsoft products in Dynamics NAV, LS Retail, Share Point, MS CRM, Mobile Solutions, MS Products to other product developments on Microsoft platform.

For any enquiries to the name change, kindly forward them to Ms. Esther Gan at esther.gan@accenovate.biz.

Accenovate Technology Sdn. Bhd. is very excited and looking forward to the new branding. The management would like to thank all clients, colleagues and business partners for the continuous support and looking forward to providing more services and having business together in the future.

Yours truly,

Victor Ng
Managing Director
Accenovate Technology Sdn. Bhd.
