Information Technology firm Accenovate Consulting Group has completed the corporate acquisition of Computer Landmark (M) Sdn Bhd (385937-W), an IT Solutions provider based in Johor, Malaysia.

Computer Landmark will continue operations under the Accenovate brand name and will become a legal entity of Accenovate Technology Sdn. Bhd. The exercise was undertaken by mutual agreement of the board of directors of both the respective companies. This corporate acquisition will take effect from 15th September 2007.

The rationale for this corporate acquisition is to further consolidate of the Group's presence in Malaysia and Singapore and to better serve our clients in both countries. There will not be any immediate changes to the Group's corporate structure and business direction. This exercise will equip the Group with more resources to continue delivering a high quality of services to our valued customers. Concomitantly this move will also ensure the continuous growth of our company vis-à-vis our customers' businesses.

Accenovate Technology Sdn Bhd being the Certified Microsoft and LS Retail Partner specializing in the Retail Vertical will expand the Group's vertical portfolio with the following solutions offerings with an expanded industry focus:

- Manufacturing for FMCG, Hi-Tech & Electronics, Plastics and Food and Beverage.
- Distribution for Consumer Packaged Goods, Food & Beverage & Industrial Equipment.
- Steel & Metal Distribution and Services

For any enquiries to the amalgamation, kindly forward them to Mr. Bon Guey Sin at gs.bon@accenovate.biz.

The management would like to thank all clients, colleagues and business partners for the continuous support and look forward to provide more value-added services to all our stake-holders in the foreseeable future.

Yours truly,

Victor Ng
Managing Director
